Dear Friends of the Bullard High School community,

You can help make a difference in the life of a student-athlete! The Bullard High School Boys Basketball program respectfully requests your support. We are looking for assistance to fund student-athletes uniforms, basketball gear, equipment and additional tournaments.

At Bullard High School our student-athletes strive for success by focusing on culture, commitment and competitiveness. This year's team is a perfect example of the type of young men that will not only make a winning basketball program, but will more importantly become well-rounded young men who will make a positive impact in our community.
